

# KATHLEEN M. FRANZ ZOO AND AQUARIUM INTERNSHIP SCHOLARSHIP

**ZOO & AQUARIUM STUDENTS**

**UP TO 4 AWARDS PER YEAR**

This undergraduate scholarship is for promising students who are completing the required Zoo and Aquarium Internship as part of their degree program.

Its goal is to provide financial support for interns who show strong potential in the zoo and aquarium fields and preference will be given to students who illustrate financial need. Selection of the recipients will normally be made in the spring prior to their summer internships.

**DEADLINE**  
**APRIL 10**

**AWARD AMOUNT**  
**\$750+**

**REQUIRED DOCS**

- Copies of all transcripts;
- Current resume/CV;
- Internship contract **or** list of applications;
- Statement: How this fund and the upcoming internship advance your career goals;
- 2 letters of recommendation — including at least one NatSci faculty member.

Application materials should be submitted to **Dr. Eila Roberts** ([eroberts@msu.edu](mailto:eroberts@msu.edu))

## Highlights

### Zoo & Aquarium Science

Designed for students completing their required Z&A internship experience, this award is intended to ease potential financial burdens associated with travel, lodging, and other expenses.
