

# DR. MARVIN HENSLEY ENDOWED SCHOLARSHIP FUND IN ZOOLOGY

ZOOLOGY MAJORS

VERTEBRATE STUDIES

The undergraduate award of this scholarship is for students who are majoring in Zoology. Its goal is to further the disciplines of zoological and biological science by providing financial support for students pursuing education in vertebrate zoology with **an emphasis on field study**.

Selection of the recipient normally will be made in spring, with the award being distributed in the upcoming fall. **One scholarship is awarded each year.**

DEADLINE  
**MARCH 15 | 5PM**

AWARD AMOUNT  
**VARIABLE**

REQUIRED DOCS

- Copies of all transcripts;
- Description of project & duration (max 2 pages);
- Letter of recommendation from a faculty member;
- Proposed budget including travel, equipment, lodging, software, etc.

Application materials should be submitted to **Dr. Eila Roberts**  
([eroberts@msu.edu](mailto:eroberts@msu.edu))

## Highlights

### Self-Nominations Encouraged

Undergraduates can nominate themselves for this award; recipients will be selected based on their enrollment in the department of Integrative Biology, their academic record, and the relevance of their study topic to vertebrate & field biology.
